

OFFICIAL COURT-APPROVED LEGAL NOTICE

Olsen, et al. v. ContextLogic Inc.
Circuit Court of Cook County, Illinois, Case No. 2019CH06737

**A Court authorized this notice.
You are not being sued. This is not a solicitation from a lawyer.**

Records indicate you may have received at least one text message after April 6, 2014 related to ContextLogic Inc. or Wish.com, and a class action settlement may affect your rights.

**You Could Get Money From A Class Action Settlement If You Return A Claim Form.
Claim Forms are available at www.wishtcpsettlement.com.**

A settlement has been reached in a class action lawsuit called *Olsen, et al. v. ContextLogic Inc.* The lawsuit alleges that text messages sent by ContextLogic violated the Telephone Consumer Protection Act. ContextLogic maintains that it did not send unauthorized text messages and the lawsuit is without merit, and ContextLogic was prepared to vigorously defend all aspects of it.

What is this notice? This notice summarizes the proposed Settlement. For the precise terms and conditions of the Settlement, please see the Settlement Agreement available at www.wishtcpsettlement.com, by contacting class counsel at Frank S. Hedin, Hedin Hall LLP, 1395 Brickell Avenue, Suite 1140, Miami, FL 33131, (305) 357-2107, fhedin@hedinhall.com, or by accessing the Court docket in this case. PLEASE DO NOT TELEPHONE THE COURT OR THE COURT CLERK'S OFFICE TO INQUIRE ABOUT THIS SETTLEMENT OR THE CLAIM PROCESS.

Who is included? The Settlement Class includes all persons within the United States who, after April 6, 2014, used or subscribed to a wireless or cellular service and were sent one or more text message(s) from ContextLogic Inc. or text messages related to a ContextLogic Inc. e-commerce market place promoting the sale of goods or services by ContextLogic Inc. or an affiliate, subsidiary, or agent of ContextLogic Inc., except for persons who consented to receive marketing text messages after April 26, 2018 and then received their first marketing text message from ContextLogic after that date.

What are the Settlement Terms? A Settlement Fund of \$16,000,000.00 has been established to pay all valid claims (on a "pro rata" basis, so each Settlement Class Member who submits a valid claim will receive the same payment amount), plus administrative fees, attorneys' fees and costs up to 40% of the Settlement Fund, and incentive awards of up to \$5,000.00 to each of the four Class Representatives. Additionally, ContextLogic will agree to implement certain practices related to text message marketing. Class Counsel estimates you will receive between \$45.00 and \$50.00 if you submit a Valid Claim, but the amount will depend on the number of Settlement Class Members who submit Valid Claims. Each Class Member who submits a Valid Claim will receive the same amount of money from the Settlement.

You may choose to receive your settlement payment in U.S. dollars by paper check sent to your postal address, or in "Wish Cash" directly deposited into your Wish.com account. If you have signed up for one of Wish.com's other e-commerce marketplaces (Geek, Home, Mama, or Cute), you may choose to receive your settlement payment in the corresponding in-app currency – "Geek Cash," "Home Cash," "Mama Cash" or "Cute Cash" – which will be directly deposited into your account at that marketplace. Your settlement payment amount will be the same regardless of which method of payment you choose. Checks may be deposited into a bank account or cashed at a bank by the expiration date on the check (180 days after the issuance date stated on the check); after a check expires, it may no longer be deposited or cashed. Wish Cash may be used just like other payment

methods, like a credit card, for purchases on Wish.com with your Wish.com account; Wish Cash never expires. If you choose Wish Cash, you will also receive a one-time discount code for 50% off of the first \$20.00 of any single purchase of goods on Wish.com in addition to your Wish Cash payment. If you elect to receive your settlement payment in U.S. Dollars by paper check, you will not receive a discount code.
